

## Project Leader (m/f) - junior/medior

Eupen / teleworking

### Your mission

- As Project Leader, you are responsible for managing a portfolio of various projects, in coordination with all departments of the company
- You are the main contact person for your clients
- You are responsible for the organisation, the management and the follow-up of your projects during all phases of development and realisation of the machines, from design to on-site setup
- You identify your customer's needs and provide them appropriate solutions to achieve defined objectives
- You quickly solve, with the appropriate urgency level, technical problems that may occur on the machines
- You carry out the budget monitoring of your project

### Your profile

- You are passionate about customer contact, innovation and technology
- You have a technical degree (electromechanics or equivalent experience)
- You have good technical knowledges in mechanics, electrics, pneumatics and a basic knowledge of automation principles
- You speak French, with at least a good knowledge of English (German and/or Dutch will be a serious asset)
- You have an autonomous, collaborative and solution-focused approach to work
- Will be an asset : some experience in project management or in an engineering department, in the field of machine manufacturing

### We offer

- A job that allows initiative and development, thanks to the concept of « collective intelligence » work organisation
- Permanent contract
- 35 days off
- Luncheon vouchers (8 €)
- Bonus in the company's profits
- Group and hospitalisation insurance
- Training and teleworking opportunities

**We don't just offer you a job, we offer you the chance to build the factories of the future !**
